HOTEL RECOMMENDATIONS

There's a buzz about Baltimore that makes people who visit fall in love with its vibe. With the world-famous Inner Harbor, renowned museums and attractions, award-winning restaurants, a locally loved music scene, and hip and historic neighborhoods, get ready to explore a truly authentic American city.

There are accommodations available in all price categories. Baltimore is relatively less expensive than other nearby cities (such as Philadelphia, New York, and Washington, DC). In the neighborhoods near Morgan State University, hotel accommodations fill up in June due to weddings and youth summer sports camps, so you should book your accommodation as soon as possible. We recommend the following hotels, and have arranged slightly reduced rates, but there are many other possibilities which you can find on the Internet or through your tourist agent. Be sure to check how far your accommodation will be from the location of the meeting!
