

## Have you been involved in a Participatory Health Research project? How do you navigate power dynamics in your work?

We invite you to join in a conversation, via a participatory online workshop, to discuss and explore power, power sharing and empowerment in PHR.

Whether you are involved in community-based participatory research (CBPR), participatory action research (PAR) or any other approach that aligns with participatory principles, we are interested in your views and experiences. We would like to involve researchers from the **community**, from **academic institutions**, from **health systems** and other related organisations, and to gather global perspectives on power while focusing on under-represented voices from the Global South.

The online workshops will take place at the following times:

Workshop	Date	Time (GMT)	Language	Region
1	1 <sup>st</sup> June	12:00 – 14:00	English	Asia
2	2 <sup>nd</sup> June	14:00 – 16:00	English	Africa
3	3 <sup>rd</sup> June	14:00 – 16:00	English	US/Europe
4	9 <sup>th</sup> June	15:00 – 17:00	Spanish	Latin America
