

JUNE 21 – 22, 2019 | BALTIMORE, MARYLAND, USA

CONFERENCE

Addressing Urban Health Disparities through Participatory Health Research

HOST LOCATION:
University of Maryland School of Social Work

REGISTRATION AND INFORMATION:
www.morgan.edu/ICPHR

SESSION PROPOSAL DEADLINE:
January 25, 2019

ABSTRACT SUBMISSION DEADLINE:
March 8, 2019

This conference is an international forum for professionals and community activists from diverse backgrounds, such as academicians, students, practitioners, community stakeholders, policy advocates, and others interested in addressing urban health disparities through participatory methods. The conference will provide a venue for:

- sharing methods, theories and experiences
- exchanging ideas and innovations
- enhancing the capacity for participatory health research
